AFFIDAVIT

I, Kenneth Monroe, being duly sworn, depose and state the following:

INTRODUCTION AND AGENT BACKGROUND

1. I am currently employed by the Michigan State Police as a Detective Trooper and have been employed as Trooper since 2010. I have been a law enforcement officer since 2005 for Mundy Township Police Department, Swartz Creek Police Department and the City of Burton Police. I am currently assigned to the Bureau of Alcohol, Tobacco, Firearms, and Explosives (ATF) as a Task Force Officer. I am currently assigned to the Detroit, Michigan Field Division, Flint Field Office. I am tasked with investigating violations of firearms and narcotics laws. During my employment, I have investigated numerous incidents involving robberies, shootings, and homicides as well as violations of state and federal firearms laws.

2. I make this affidavit based on my participation in this investigation, including witness interviews by myself and/or other law enforcement agents, communications with others who have personal knowledge of the events and circumstances described herein, and information gained through my training and experience. The information outlined below is provided for the limited purpose of establishing probable cause and does not contain all details or all facts of which I am aware relating to this investigation.

3. Based on the facts below, I have probable cause to believe that on January 13, 2022, Taqueyvius Cameron-Dailon Blackmon (XX-XX-2001) knowingly possessed a firearm as a convicted felon in violation of 18 U.S.C. § 922(g)(1).

BACKGROUND

4. On January 13, 2022, at approximately 2124 hours, Michigan State Police Troopers attempted to initiate a traffic stop on a silver, 2011 Chevrolet Malibu in the area of Delia St. and Bonbright St. in the City of Flint, Michigan. The vehicle was observed to have Michigan registration plate, EAL2405, affixed to it. The vehicle was found to be uninsured by Troopers after querying the license plate through the Michigan Secretary of State computer system.

5. The vehicle fled the traffic stop, crashed over a curb a short time later and became stuck in the snow near the intersection of Delia St. and Avenue A in the City of Flint. The driver, Taquayvius Cameron-Dailon Blackmon, then exited the vehicle and fled on foot along with the passenger in the vehicle, Darrion Nyturo Boaz, (xx-xx-2002). Both subjects were taken into custody by Michigan State Police Troopers after a short foot pursuit.

6. Troopers returned to the suspect vehicle and located a pistol in the center console cup holder, next to the location Taqueyvius Blackmon

had been seated, driving the vehicle. The pistol was described as a Taurus, model G2C, 9mm, semi-automatic pistol with serial number ABD446576. Troopers conducted a check of this weapon through the Law Enforcement Information Network (LEIN) and discovered it had been reported as stolen to the Flint Police Department on 8/25/2020. The pistol was found to have one round of 9mm ammunition in the chamber and an empty magazine inserted into the weapon.

7. Troopers located a Spikes Tactical, model ST-15, .223 caliber pistol, serial number 044686, laying on the passenger floorboard of the vehicle where Darrion Boaz had been seated. The pistol was found to be loaded with one round in the chamber and 6 rounds in the magazine of the weapon. The magazine located in the weapon was found to have the capacity to hold 60 rounds of .223 ammunition. Troopers also noted the barrel of the firearm was hot to the touch and believed it had been fired recently.

8. A check of the computerized criminal history (CCH) of Taqueyvius Blackmon revealed he pleaded guilty to felony unarmed robbery and felony weapons offense on 11/19/18. Both of these offenses are felony offenses punishable by more than one year of imprisonment. It was also discovered that Blackmon is currently on parole through the Michigan Department of Corrections.

9. On January 20, 2022, I spoke with firearms interstate nexus expert, Special Agent Dustin Hurt of the ATF, who advised the Taurus, model G2C, 9mm semi-automatic pistol was not manufactured in the state of Michigan.

CONCLUSION

10. Based upon all of this information, probable cause exists that Taqueyvius Blackmon violated 18 U.S.C. §§ 922(g)(1).

Respectfully submitted,

Kenneth Monroe
ATF Task Force Officer
